

VERWENDUNG GUARDIA, PRIVIA UND PRIVIA EVO BABYSCHALEN IN KOMBINATION MIT KINDERWAGEN

Using the Guardia, Privia and Privia Evo infant carriers in conjunction with strollers

DE

Für die Verwendung als Travel System empfehlen wir Babyschalen Guardia, Privia und Privia Evo in Verbindung mit unseren aktuellen Kinderwagen Easylife und Citylife.

Darüber hinaus haben wir eine Auswahl an aktuellen Kinderwagen anderer Hersteller in Verbindung mit den oben genannten RECARO Babyschalen getestet. Dabei gewährleisten wir, dass die einzelnen Kombinationen bezüglich geltender Standards für Kinderwagen getestet wurden und somit höchsten Sicherheitsanforderungen genügen.

Die nachfolgende Liste enthält sowohl RECARO Kinderwagen als auch Produkte anderer Hersteller, die von uns getestet wurden. Sollte Ihr Modell nicht enthalten sein, wenden Sie sich bitte an unser Team (info@recaro-cs.com).

EN

For use as a travel system, we recommend our infant carriers Guardia, Privia and Privia Evo in conjunction with our current strollers Easylife and Citylife.

In addition, we have tested a selection of current strollers from other manufacturers in conjunction with the infant carriers. In doing so we ensured that the individual combinations were tested according to applicable standards for strollers and thus meet the highest safety requirements.

The following list contains both RECARO strollers and products from other manufacturers that have been tested by us. If your model is not included, please contact our Team (info@recaro-cs.com).
